DCM REPORT

“I have come to believe that hard times are not just meaningless suffering and that something good might turn up at any moment. That's a big change for someone who used to come to in the morning feeling sentenced to another day of life. When I wake up today, there are lots of possibilities. I can hardly wait to see what's going to happen next.”

ALTERNATE DCM REPORT

Step Three, "Made a decision to turn our will and our lives over to the care of God, as we understood Him"

Well, it happened. I turned my life over to God and I made it to NERAASA! I even flew in my first puddle jumper! I want to thank all of you for sending me. As last year, I learned a lot and got some service ideas from others that attended. I met Karen from the records department of GSO. They are still working out the problems with the new computer system and the backlog of mailing out envelopes for the new service members. Please be patient as they are trying their best. You can even look it up online and if you need assistance, please let me know and I will direct you to the proper site.

GSR's please check your emails to get the information for Preconference Weekend to review at your group conscious and get back to me or Matt for voting at the area meeting on March 22nd. Or better yet come to the meeting and make your vote count!

In love and service,

Marcia W., Alt. DCM
