DCM REPORT

Humility is;

"Perpetual quietness of heart. It is to have no trouble. It is never to be fretted or vexed, irritable or sore; to wonder at nothing that is done to me, to feel nothing done against me.

"It is to be at rest when nobody praises me, and when I am blamed or despised, it is to have a blessed home in myself where I can go in and shut the door and pray to my Father in secret and be at peace, as in a deep sea of calmness, when all around and about is seeming trouble."

-Dr Bob

ALTERNATE DCM REPORT

I try to hold fast to the truth that a full and thankful heart cannot entertain great conceits. When brimming with gratitude, one's heartbeat must surely result in outgoing love, the finest emotion that we can every know.

AS BILL SEES IT, PAGE 37

I am so thankful and grateful that my list is endless. Every day I thank my Higher Power for all of my blessings and for another day sober. I have heard people say they love A.A. I am inclined to agree with them. Without this wonderful program my life would surely be much different.

Happy Thanksgiving to all!

Please remember to give back and most of all be kind.

In love and service,

Marcia W. Alt. DCM
